

CompuPay is pleased to be announced as a preferred payroll provider for New York State Restaurant Association members.

CompuPay is the largest privately-held payroll company in the country and among the top five payroll companies overall. Best of all, NYSRA members have a designated CompuPay team in New York to provide a personalized payroll and tax filing service for you!

Features of our service include:

- Local service and sales office in New York
- Payroll processing and check printing
- Tax filing, payment and compliance at the local, state and federal jurisdictions
- New hire reporting
- Direct deposit service
- W-2 prints
- Specialized restaurant reports and tip reporting

15% discount on payroll processing for all NYRSA members signing up as new payroll clients

We encourage you to review your current processing method and contact CompuPay for a complimentary needs analysis and competitive quote. To request a call from a CompuPay team member, please fax this letter along with your contact information to the number below.

For more information, call us at (877) 729-6299 and mention your NYSRA member discount.

We look forward to working with you!
