

Workers' Compensation Insurance Program

Because we've been a trusted resource to the restaurant business in New York since 1935, the New York State Restaurant Association knows exactly what you're up against when it comes to choosing a Workers' Compensation insurance program. And that is why, for more than 20 years, we've saved our members more than 50% of their total workers' compensation costs with our New York State Restaurant Services Workers' Compensation Program. We have the size, experience, and the depth needed to bring restaurant owners a plan that's risk-free, expertly managed, and very cost effective.

SECURITY AND PEACE OF MIND

On the NYSRA Safety Group, you get the protection you're looking for, the coverage you need, with complete confidence. The New York State Restaurant Services Workers' Compensation Program is a fully insured program. We're underwritten by the New York State Insurance Fund.

- 15 million in reserve funds are maintained to assure you you'll never have to worry about claim coverage now, and in the future.
- Over 20 years of experience means we've been there — and will be here — when you need us. And it gives you the benefit of our long familiarity with the complexities of Workers' Comp matters.

- 10.2 billion in resources back up our policy. That's the asset value of the New York State Insurance Fund, underwriter of the New York State Restaurant Association Workers' Compensation Program.
